## EPD TEAMBUILDING EVENT

Our EPD teambuilding event this year was at Palate Sensations Cooking School in December. The faculty and staff had a ball of a time creating dishes such as lamb kofta and chicken cacciatore.

There was also a "black box" challenge where each group were given the same ingredients – macaroni, an egg, a few different vegetables and condiments. The winning team was judged based on both taste and presentation.

The best part of the activity was enjoying the meal that we cooked of course. Looking forward to yet another fun-filled event next year!
